

Well Maintained Rambler - Great Neighborhood, Hopkins Schools!

Location: Minnetonka, MN

See all of our rental houses, townhomes and condos at www.MNRentalHouses.com.

This Minnetonka rambler has hardwood floors in the 3 bedrooms and plush carpet in the living areas with 3 tiled bathrooms. The bedrooms are good sized and on the same first level. The kitchen is roomy with wonderful working space to prepare meals and eat in. It recently had new wood laminate flooring installed and really shines. You will enjoy entertaining family and friends in the informal dining area adjacent to the living room. The living room has a massive fireplace and walls of windows to view the back yard and garden areas.

This unique property is located on a hilltop in the Minnetonka Mills area of Minnetonka. Close to Ridgedale shopping center and 394 for a 15 minute commute to Minneapolis. The picturesque setting has perennial gardens with blooming flowers all summer

long. The owner has well cared for this property for the past 37 years. The home and gardens have been maintained almost like an arboretum.

Friendly neighbors and Hopkins Schools make this a perfect place to live. Call Matt with MN Rental Houses at 952-474-1500 to schedule a showing.
