Rent property on Lake Minnetonka at 1600.00 per month? Yes it is very possible. This home on Cooks bay gets \$4000 per week in the summer as a vacation rental. We are looking for the right tenant for a six month lease.

If you like the property, as I am sure you will, it can be rented for the summer months. The owner would just assume having a longer term tenant. The monthly rent for the summer is negotiable and will be reasonable if you choose to stay. Just bring your boat, for a summer experience that you will not regret.

The home has three bedrooms, two baths and incredible birds eye views of one of the most pristine bays of Minnetonka. If I did

not have mortgage payments I would rent it myself - I am serious!

This is a wonderful home with a cabin feel for anyone that wants to live on the lake but does not want to pay the exorbitant real estate taxes on Lake Minnetonka. Not too far from Al and Almas, just in case you want a tour of the lake or just a great meal.
